

Bulletin April 2021!

Director's Message

Dear All,

Let me wish you a very Happy New Financial Year 2021-22!

As the whole world is facing a time of TEST with the consequences of the Covid-19 pandemic, there seems to be a ray of hope to overcome and come out of this pandemic in the preventive measure of vaccination.

We have partially started the activities following all the safety precautions. Along with classroom training, our online training and consultancy services continue. As the industry continues work, and apparently need our services, our Consultants, Engineers and Technicians are visiting the customer's sites as and when required. For more convenience on movement of our engineers, we started our new office in Bhosari, Pune from 1st January 2021.

From Jan 2021 onwards, the in-campus programs were conducted for

- Liquid penetrant Testing L-II.
- RT, PT, MT, UT and VT Level 2 training programs as per ISO 9712.
- Eddy Current Testing Level I program was conducted for M/s Randak Fastners India Pvt. Ltd. in Feb 2021.
- PT L-I and II course in Feb 2021
- Welding Inspector training program in March 2021

Candidates were happy being able to attend their long awaited classroom training which included

- Welding and Inspection for QA/QC Professionals',
- Radiographic Testing L-II

The online training for API 570 for Brunei customer was conducted in Jan-Feb 2021 and the next batch is planned for Mar-Apr 2021.

Another successful audit was completed in March 2021 for a customer with IQS team's support for certification of EN/ISO 15085-2 and ISO 3834-2.

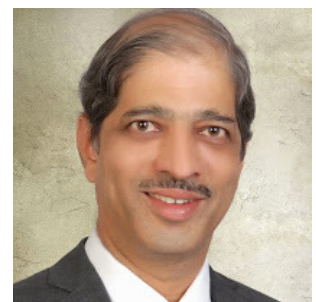

The online inspection activities, IMS and ASME audits are continued for some of the customers.

Though we all are aware that it may take some time to improve the situation, we are moving forward with the same zeal.

Fulfilling our customers' needs is always the first priority for us.

Your trust in us always keeps us motivated!

Thanks, and Best Wishes!!

Mr. Diwakar Joshi
