

# DIGITAL RADIOGRAPHY TESTING (DR) LEVEL – II TRAINING & CERTIFICATION

**QINSIGHT CONSOL Pvt Ltd.** a trusted provider of NDT training and certification services, in collaboration with **VisiConsult** – a leading specialist in customized Digital Radiography and X-ray inspection systems – is pleased to announce its DR Level II Training & Certification Program in Pune.

This program provides the required classroom training and examination to qualify as **DR Level II** in compliance with **SNT-TC-1A (2024)** and **ASME Section V (2025)**, as per the employer's Written Practice (WP).

### Course Objective:

The DR Level – II course is designed to develop competent and certified NDT professionals capable of independently performing and supervising digital radiographic inspections in accordance with applicable international codes and standards.

### Prerequisites:

- Degree or Diploma in Mechanical Engineering, or a Science Graduate from a recognized institution.
- Valid Radiographic Testing (RT) Level II Certificate as per the employer's Written Practice (WP) in accordance with applicable standards.
- Valid vision certificate meeting near vision, shades of grey and color vision requirements as specified in the relevant certification scheme
- Valid Radiation Safety Training Certificate as required by the applicable regulatory authority/jurisdiction.

**Who Should Attend:** Technicians, inspectors, and supervisors in oil, gas, petrochemical, and shipbuilding industries.

**Certification:** Successful participants receive a certificate of DR Level II certificate valid for 5 years in line with Company Written Practice (WP).
