

OCTOBER 2023 BULLETIN

From Director's Desk

Dear All,

Greetings!

I hope everyone is safe and in good health!

We have come to the end of our second financial quarter, and our team has been working on various national and international projects.

IQS is taking pride in conducting short courses to meet the customers' needs.

Many one day programs have been delivered by us in the hybrid mode, like – Guided Tour of ASME codes, 'Welding Symbols, Review of WPS, PQR and WPQ, Metallurgy for shop engineers and so on.'

In this quarter, apart from our regular in-service inspection programs, we have also catered to requirements of API 584, API 936 courses which received very good reviews.

The NDT services and inspection team has been working on several projects and have added quite a number of personnel qualifications to their portfolio.

We thank our customers for their all-time motivation and trust in us!

Wish you all a successful year ahead.

Thanks and Best Wishes!!

Diwakar Joshi

Director

ISO 9712 Level II Training courses conducted by Mr. Amit Deshpande, Mr. Satish Sadekar and Mr. Mohseen Shaikh from 03rd Jul to 01st Aug 2023

Basic Level III course conducted from 03rd to 7th July 2023 by Mr. Diwakar Joshi, Mrs. Mugdha Kale and Mr. Amit Deshpande

NDT MT Level II course conducted by Mr. Shreeniwas Deodhar from 06th to 08th July 2023

NDE RT Level III preparatory online training conducted online from 10th to 14th July by Mr. Diwakar Joshi, Mrs. Mugdha Kale and Mr. Shreeniwas Deodhar

In campus training of VT Level II conducted by Mr. Amit Deshpande from 12th to 14th July 2023

**UT Level II course conducted from 17th to 27th July 2023 by
Mr. Ashish Bhate and Mr. Satish Sadekar**

**API 570 preparatory online training course conducted by
Mr. Amit Deshpande from 17th to 22nd July 2023**

API 936 preparatory online training course conducted by Mr. Mayank Patel from 24th to 26th July 2023

PT Level II training conducted from 1st to 3rd August 2023 by Mrs. Mugdha Kale and Mr. Abhijit Mandavkar

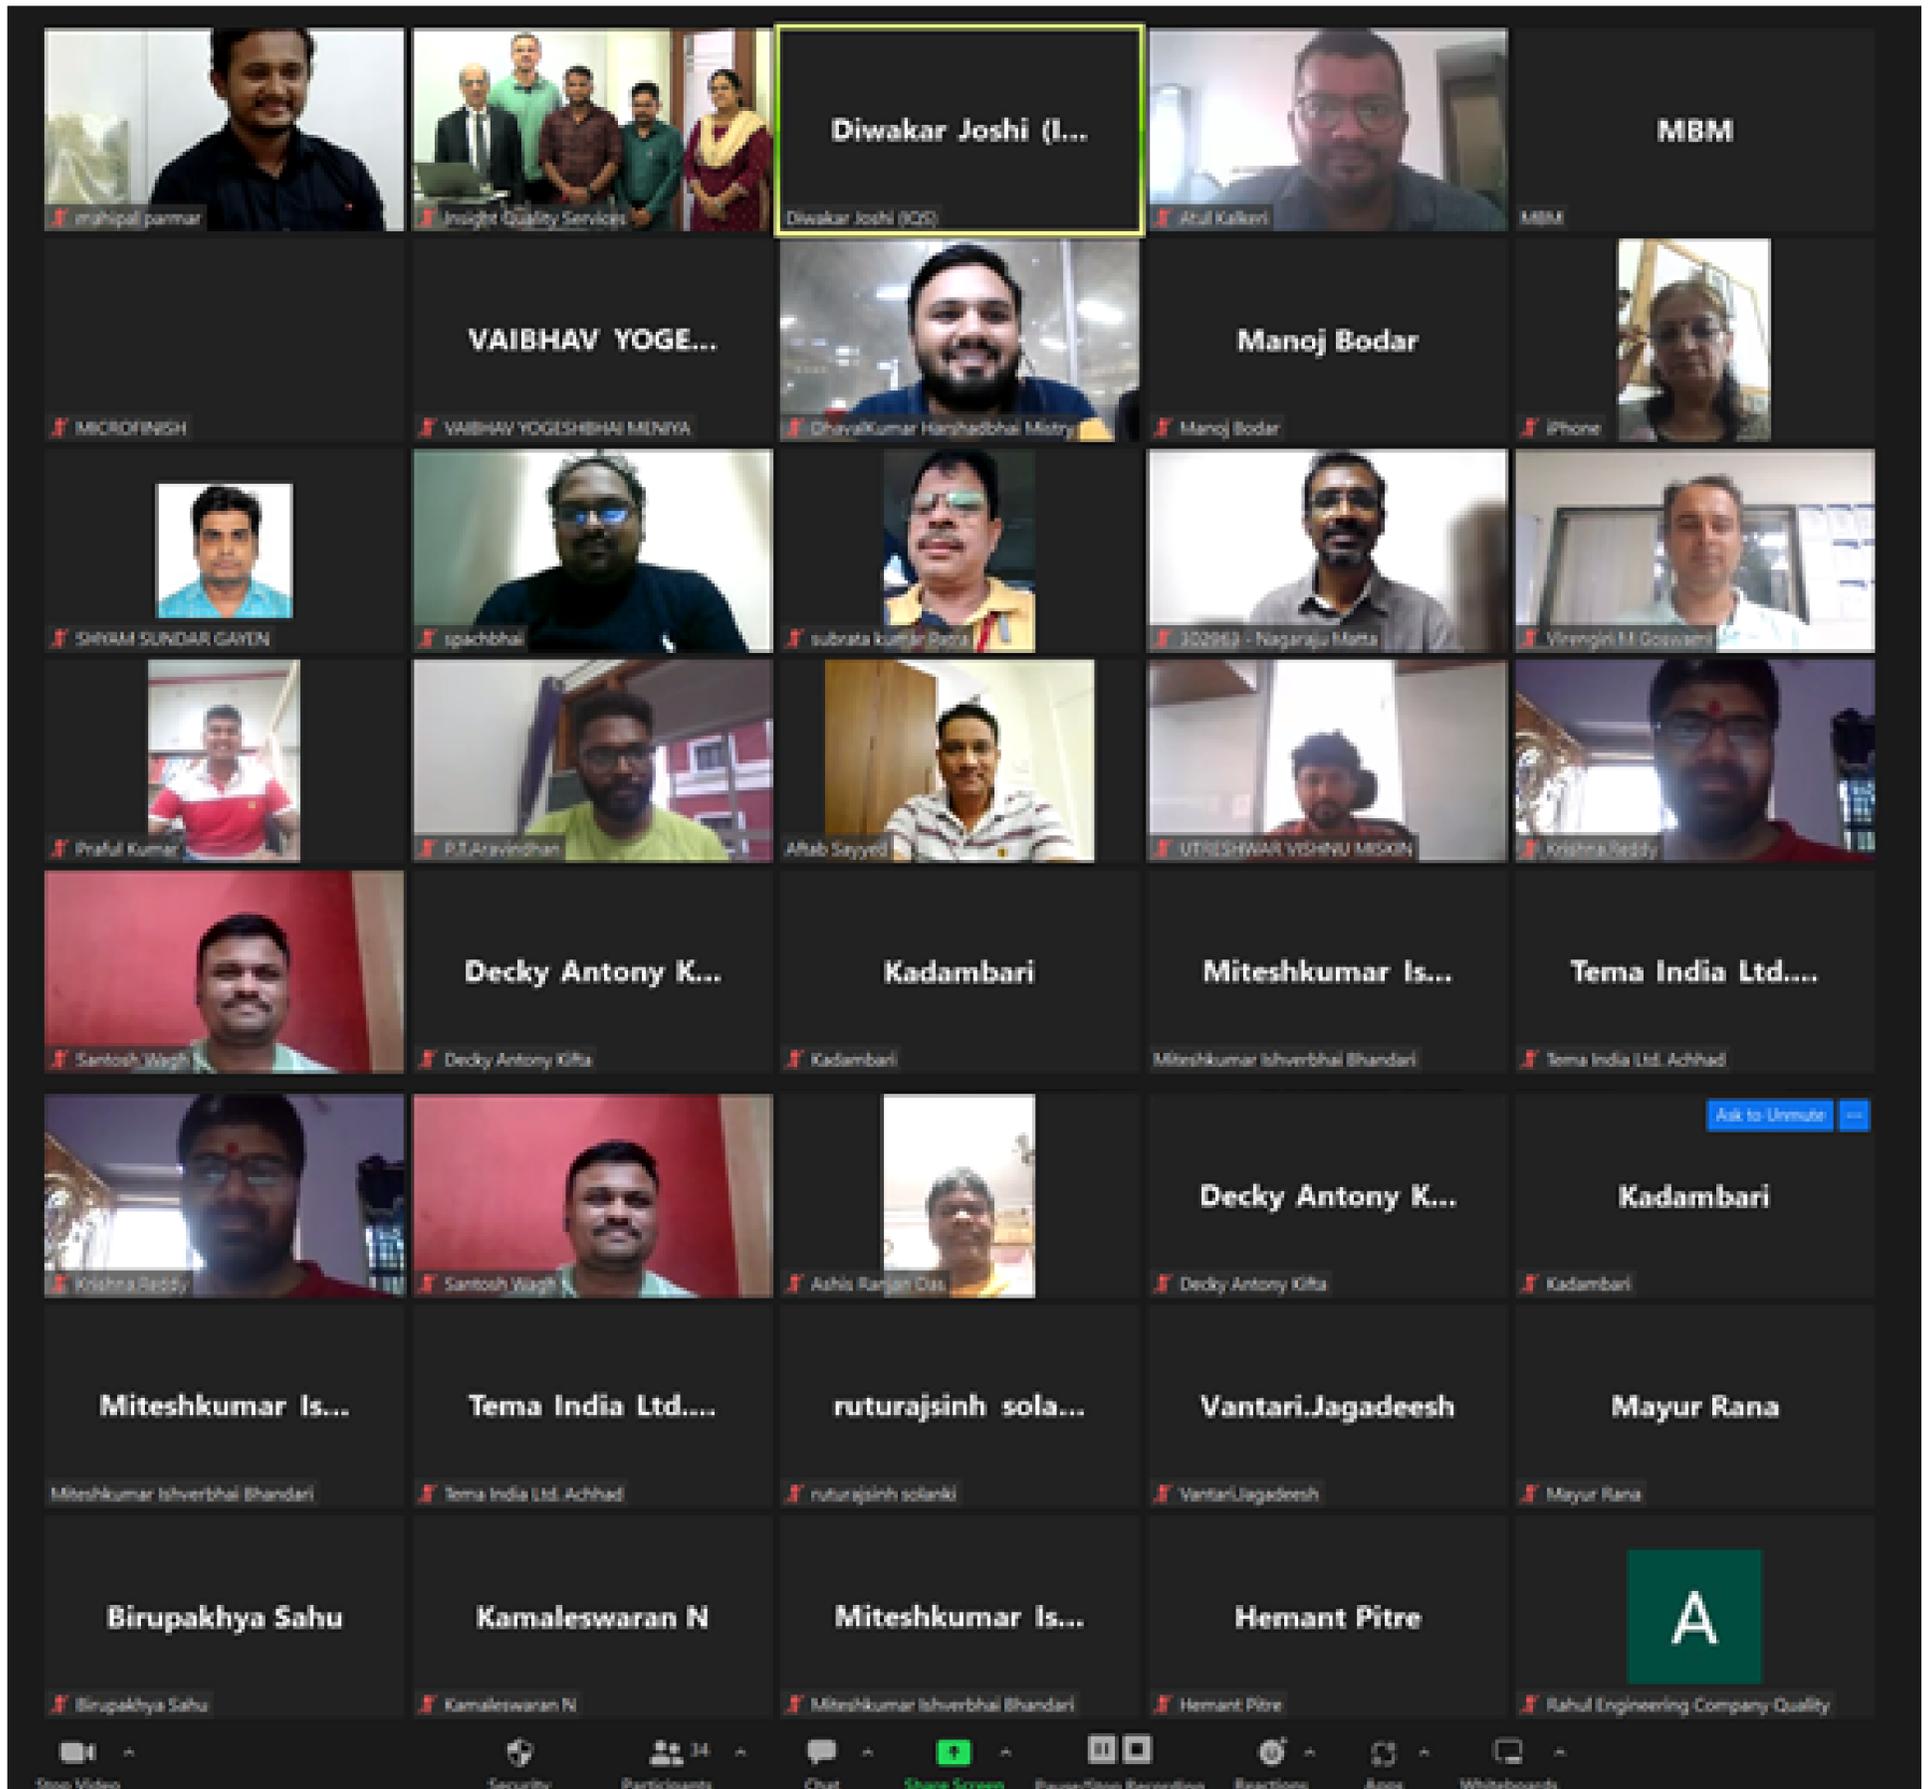

Welding Inspector training conducted by Mr. Shreeniwas Deodhar, Mr. Ashish Bhate and Mr. Mohseen Shaikh from 07th to 12th Aug 2023

API 571 preparatory in-campus training course conducted in Qatar by Mr. Amit Deshpande from 13th to 17th Aug 2023

**NDT MT Level I in-campus training conducted by Mr. Mohseen Shaikh
from 21st to 23rd Aug 2023**

Highlights

Mr. Amit Deshpande conducted consecutive in-campus back-to-back preparatory trainings for API 571, API 570, and API 580 in Qatar.

Mr. Diwakar Joshi delivered an outstanding session, providing a guided tour of ASME Codes with a specific emphasis on the code changes in the 2023 edition.

Continuing the tradition of excellence, Mr. Shreeniwas Deodhar secured CSWIP 3.1, and Mr. Satish Sadekar achieved AWS CWI certification on their first attempts. Two significant accomplishments enhancing the prestige of the IQS Crown.

Mr. Mayank Patel conducted specialized online training for the API 936 Refractory Personnel certification

In the final months of September, the commencement of the Reliance shutdown work began

A big batch of 14 candidates for AWS CWI training seminar and exam successfully completed in Oman by team IQS in the month of September 2023

Quiz Time

Solve the four jumbled words to form four ordinary Engineering words.

Fill up in the space provided and pick up alphabets in the circle to form the answer to the question below.

I S A V S L U

	○						
--	---	--	--	--	--	--	--

D N I O T A R I A

○								
---	--	--	--	--	--	--	--	--

R S I Y T O O P

	○						
--	---	--	--	--	--	--	--

O S O C R I O N

							○
--	--	--	--	--	--	--	---

Question – What common metal is known for its strength and magnetic properties?

Answer to previous quiz :

REFRACTION

RETINA

BORESCOPE

INCIDENCE

Answer to the previous question – IRIS
