

APRIL 2024 BULLETIN

From Director's Desk

Dear Sir / Madam,

Greetings!!

I hope this letter finds you well and filled with anticipation for the possibilities that lie ahead. As we step into the new financial year 2024-25, I wanted to take a moment to extend my heartfelt gratitude for your continued support and trust in Insight Quality Services!

The commencement of a new financial year marks a period of fresh beginnings, renewed goals, and heightened aspirations. At Insight Quality Services, we are energized by the opportunities this new year presents, and we are committed to serving you with even greater dedication and excellence.

Throughout the past year, we have worked tirelessly to innovate, improve, and adapt to meet your evolving needs. As we move forward, our focus remains steadfast on delivering products and services that exceed your expectations and contribute to your success.

We understand the importance of open communication in fostering strong relationships with our customers. Therefore, we welcome any feedback or suggestions you may have as we embark on this new journey together.

The year 2023-24 was filled with noteworthy events and exciting occurrences. Many out-of-India training programs as well as online training programs were conducted. Repeat orders for our API training programs from the customers in various countries and from the individual candidates, which is an attainment for our Tutors.

New international customers connected with us from countries like the USA, Saudi Arabia & Oman for services like training, consultancy and inspection services.

A big batch of 14 candidates for AWS CWI training seminar and exam successfully completed in Oman by team IQS in the month of September 2023.

In India, two big shutdown projects were completed successfully by our NDT team this year.

As always, our dedicated team is here to assist you every step of the way. Whether you have inquiries, concerns, or simply wish to connect, please do not hesitate to reach out to us.

Thank you once again for your unwavering support. We look forward to continuing this journey with you and achieving mutual success in the coming year.

Thanking you,
With best wishes,

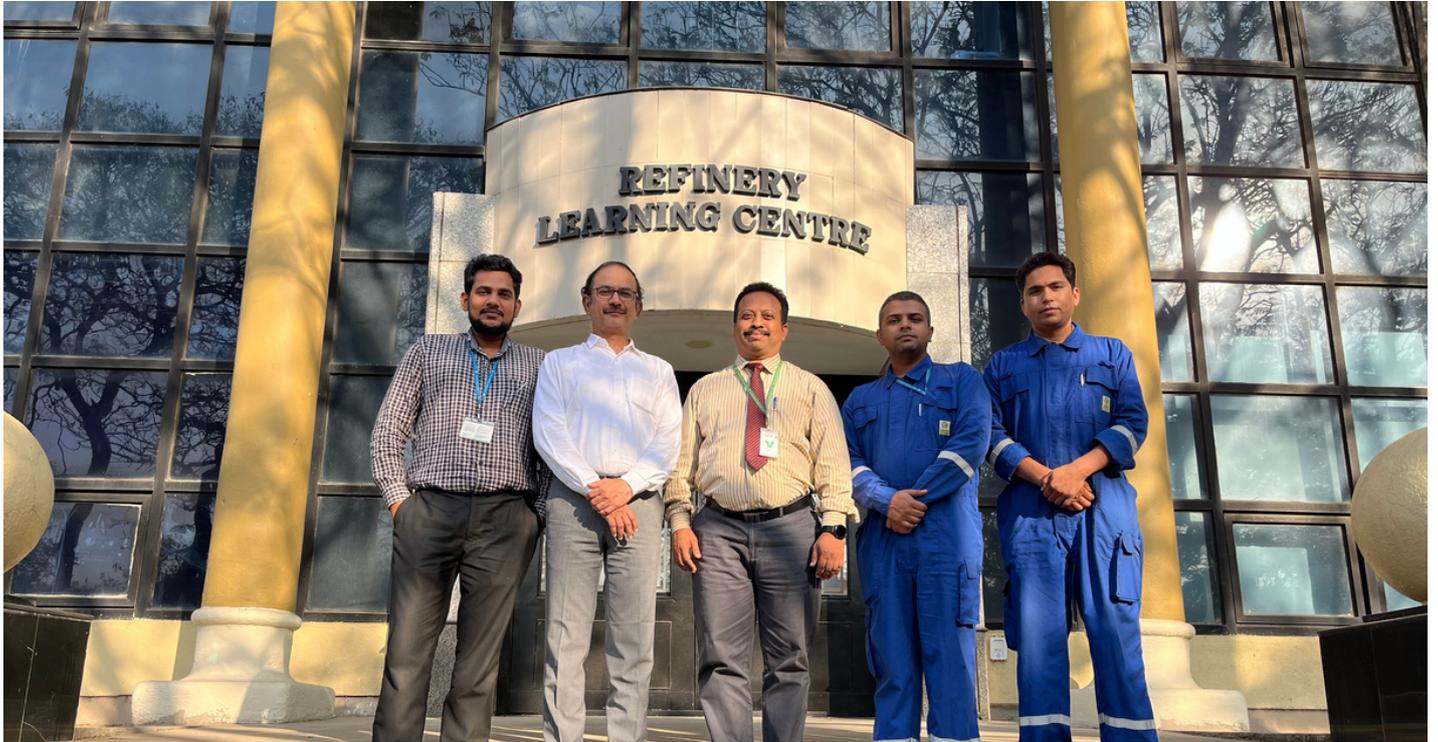

Diwakar Joshi,
Director

Glimpse of IQS Family Get Together

March 2024

1. A warm welcome of the IQS team with their family members by the Director, Mr. Diwakar Joshi and Mrs. Mugdha Joshi-Kale, Head-Operations.

Capturing moments of achievement and recognition of our prestigious award function! Let these snapshots serve as a reminder of our collective success and inspire us to reach even greater heights in the future.

A big thank you to our amazing artists for their fantastic musical performance at our family get together.

These family photos capture the moments of joy, unity, and togetherness, reflecting the essence of our company's culture. Let's treasure these memories and continue nurturing the bonds that make us not just coworkers, but a true family."

Highlights

The IQS team did a great job finishing the shutdown. It shows how dedicated and skilled they are. This achievement means a lot for their work.

Mr. Narendra Thatte delivered successful in-campus “Piping Systems Mechanical Design and Specification” in Qatar

Consecutively organized and diligently delivered, a series of specialized courses encompassing API 510, 570, 653, and AWS CWI were conducted with precision and expertise, for our esteemed customer.

Mr. Puranik Conducted Awareness on Project Management Professional (PMP) training program for IQS team.
