# From Director's Desk

Dear All,

Greetings!

Hope you all are safe and in good health!

Congratulations on an outstanding Quarter !! Your dedication and hard work delivered key wins and strengthen our position in the market. Thanks to your ownership and teamwork. Your contributions whether on the front line or in support functions have directly translated into measurable results for the company. Let us keep raising the bar and aim even higher in the coming quarter.

We have closed this quarter with impressive achievements. We have completed our ISO 9712 surveillance audit for ATC successfully, got an international shutdown work, our exhibition stall in NDE 2025 received a very good number of foot prints.

Every department including Training, Consultancy, NDE, Inspection and Shut down has played an important role in this success and your dedication has not gone unnoticed. Consultancy 1 department single-handedly pocketed 25 new customers related to ISO 3834 and ISO 15085 audits. Consultancy 2 department is also ringing the same tune of outstanding performance. NDE services got new orders and fully occupied the available man-days of their whole team. Training department is also setting new milestones and opening new opportunities in different fields.

The year 2026 plans for QInsight build on our Q4 momentum, targeting expansion in new fields and innovative ideas. Expect the Operational Enhancement in all departments. We are going to focus on team development which will align the business requirements. You will be seeing the always ready-to-go QInsight delivering the services with our unmatched efficiency, energy and out of the world enthusiasm.

We look forward to more engagements with you in the coming period, always eager to serve to the customer in-line with their expectation..

We thank all of you for trusting us as your quality partner!

Wish you all a very Happy, Fruitful and Successful New Year!!

Thanks and Best Wishes!!

Diwakar Joshi  
Director
